

HCSEG Photo and Video Media Release Form

Group Release Form

I hereby grant permission for the Hood Canal Salmon Enhancement Group to use any picture or video footage involving or related to my class/group in any newspapers, websites, magazines, television spots or other forms of media. These materials/pictures/footage are being taken/collected and shared with every child's parent or guardian's knowledge and permission. The Hood Canal Salmon Enhancement Group will collect media with the purpose to enhance and spread its mission to ensure that wild salmon are once again abundant in the Pacific Northwest, as well as to continue to connect land, people and salmon.
